

Providing HIV related services to our community through compassionate direct care, prevention, and outreach activities

Dear Potential HARC Volunteer:

Thank you for your interest in volunteering at the HIV/AIDS Resource Center (HARC). HARC has a history of encouraging people to volunteer and welcomes your presence. In fact, our organization was founded by a group of dedicated volunteers just like you!

We appreciate the efforts of our volunteers who make possible a number of programs and activities at HARC. We also recognize the benefits of being a volunteer, including learning new skills, enhancing career opportunities and making professional and social contacts.

HARC seeks committed people to join our team as volunteers. Volunteers work with our staff team to provide HIV-related services through compassionate care, prevention, and outreach activities. At HARC, we believe in the work we do, and act from the heart. In order to become a committed volunteer, we believe that you, too, must adopt the same passion we have for caring for HARC clients.

Please read the enclosed Volunteer Information Packet about the various volunteer opportunities. We urge you to discover more about our organization by visiting our web site at www.r2harc.org.

HARC volunteers are expected to comply with all applicable laws and regulations, particularly pertaining to confidentiality. Volunteers must be a minimum of 16 years old. While no minimum time requirement is enforced at HARC, we give priority to those volunteers who can commit a minimum of six months of service. As a volunteer, we want to make sure that our expectations are clear and that this becomes a valuable and rewarding experience for you.

Once you have read the enclosed materials, reviewed our web site and completed and returned the volunteer application, please call HARC at 734 572 9355 and ask to speak to Volunteer Services to schedule your interview. Prior to beginning, volunteers complete a one day training session.

Once again, thank you for your interest in volunteering and we look forward to have you be a part of the HARC team!

HARC Volunteer Services Staff
